Title I Tech Team

**Superhero Comic Book Maker:** Create personalized animated comic books with monsters and superheroes. Build comic strips and narrate the story.

## GETTING STARTED

- 🍏 Tap app **ICON** to open.
- 🍏 Tap **COMIC MAKER**, coloring, or edit your comic.

## SETTING THE SCENE

- 🍏 Tap on a **BACKGROUND** image.  
*(Add your own background by taping on the background w/ 2 small image thumbnails in the upper, right corner.)*
- 🍏 Tap and slide one or more **CHARACTERS** onto the background.
- 🍏 Tap a character image to **EDIT** size and placement.

## TOOLS

- 🍏 Tap the **THUMBNAIL** image in the upper, right of the screen to open the editing tools.
- 🍏 Tap the **UNDO** arrow to undo a current action. 
- 🍏 Tap the **CRAYON** thumbnail, choose a color, and draw on the background.   
*(Tap the thumbnail image in the upper, right of the screen to return to the editing tools.)*
- 🍏 Tap the **PENCIL** thumbnail, choose a color, and draw on the background. 
- 🍏 Tap the **ERASER** thumbnail, choose a size, and erase your drawing. 
- 🍏 Tap the **CHARACTER** thumbnail, tap a character, then tap the background to place. 

## RECORDING

- 🍏 Tap the **PINK MICROPHONE** button to begin recording. 
- 🍏 **MOVE** your characters around the screen while you are recording your voice.
- 🍏 Continue until recording is **COMPLETE**. *(recordings are about 30 seconds)*
- 🍏 Tap the **STOP** icon to stop the video recording. 
- 🍏 Tap the **PLAY** icon to view your recording. 

## SAVING

- 🍏 Tap the **BACK ARROW**. 
- 🍏 **DRAG** and **DROP** one scene on another to create a comic strip.
- 🍏 Tap the **PICTURE** icon. 
- 🍏 Choose one of your **COMICS**, then tap **SAVE TO PHOTOS**.
